

Trees for Cities

FOREST FARM PEACE GARDEN
earth care - people care - fair share

ORCHARD OPEN DAY!

At Forest Farm Peace Garden:
a community garden in Hainault
Sunday 11 March 2012
11am - 4pm

Join us for this year's first Open Day, where we will be celebrating trees and how they make our cities more healthy, beautiful and sustainable. Forest Farm Peace Garden welcomes you to our community garden to discover how we are bringing people together to enjoy nature, conserve the environment and grow local organic food.

Enjoy tree planting, delicious food and herbal teas, gardening for wildlife activities, face painting and other children's activities. Buy organically grown seedlings for your garden.

For more information see www.forestfarmpeacegarden.org
